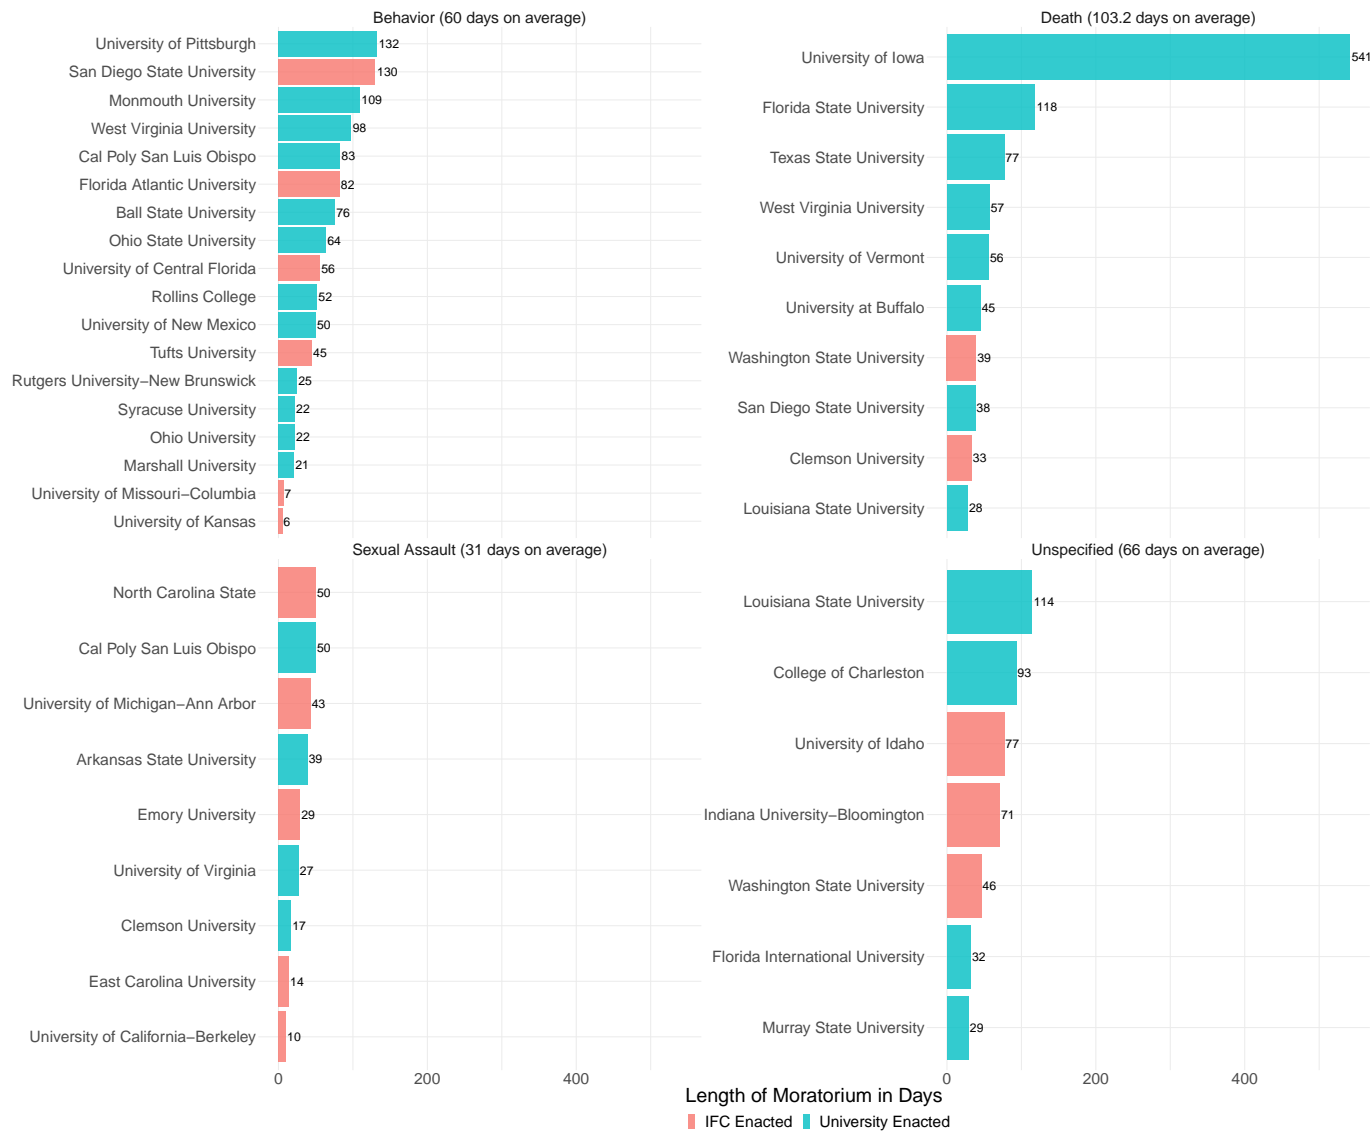

Figure 1: Average number of academic calendar days under moratorium by triggering event of moratorium.

Characteristics	Data Source			
	Daily Crime Logs	Campus Safety and Security	NIBRS	UCR
<i>Source</i>	Clery Act Requests	US Department of Education	FBI	FBI
<i>Reporting Mandate</i>	By-law	By-law	Voluntary	Voluntary
<i>Level of Aggregation</i>	Incident-level	Yearly	Incident-level	Monthly
<i>Fraction of Sample Reporting Consistently</i>	1	1	0.368	0.789
<i>Alcohol Violations</i>	All Incidences Reported	All Incidences Reported	Arrests Only	None
<i>Sexual Assaults</i>	All Incidences Reported	All Incidences	All Incidences Reported	Hierarchy Rule
<i>Drug Offenses</i>	All Incidences Reported	All Incidences Reported	All Incidences Reported	None
<i>Residence Hall Information</i>	No	Yes	No	No
<i>Analysis in Paper</i>	Main Analysis	Secondary	Not Used	Not Used

Note:

Hierarchy Rule is where only the most serious crime in an incident is reported.

While over 50 percent of UCR data is displayed to be reported consistently, it is actually truly unknown since NAs and 0s are the same.
