

A message from the Greek Alliance November 28, 2017

After much discussion with community leaders, the Greek Alliance has decided to implement changes within our Greek community. We are aware of the effects alcohol has had within our own community and throughout the country. Due to the circumstances of past tailgates at FAU, we have decided to cancel the chapter sponsored tailgates at the UNT vs. FAU CUSA Conference Championship Game to take place on December 2, 2017. Members may tailgate in small groups, and those who are of age can bring their own alcohol. All Florida Atlantic University tailgating policies should be followed. For the remainder of the Fall 2017 semester, there may not be any parties or socials with alcohol present, with the exception of previously scheduled events hosted by a Third Party Vendor.

We have also decided to suspend all events hosted by chapters that involve alcohol, starting January 1, 2018. We will revisit this decision at the end of January to see where the current state of our community is, at that point in time. Once the ban is removed, we will require every "wet" event to have a third party vendor present. We will also consider limiting the amount of "wet" events per month. We are committed to creating safe environments for our members and we as the Greek Alliance will continue to propose the needed policies for this to happen.

Sincerely,

Samantha Sock
